Address: 44 Old Station Close Crawley Down

Comments Details

Commenter Type: Neighbour or general public

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: This is a large development which will add to the traffic on Turners Hill Road, a road which is already heavily congested at peak times.

There are 2 access points on the application, one which is supposedly opposite Vicarage Road, and Grange Road. Regardless of whether there are traffic lights at this junction, it will make extremely difficult to enter the Turners Hill road at these points.

As regards to the amount of houses being planned, it will not bring anything to the community and it will destroy the open space that they will occupy. A space that borders the Worth way, thereby probably upsetting any wildlife in the area. The associated shops in Crawley Down will not benefit from the expected tenants of the planned housing as they will be too far way from the householders to easily walk to them.

The schools in the district are also full, and there is a very small amount of Dentists, Doctors and associated amenities in the area. I think that the development in general is not only too large but unnecessary and not in keeping with Crawley Down

Kind regards
