Updated plan is acceptable and as such no objection is raised.

Stephen

****EXTERNAL****

Good afternoon Stephen,

RE: Discharge of condition 8 (CEMP) for Phase 1B in relation to DM/18/5114

**AT: Burgess Hill Northern Arc, Land North And North West Of Burgess Hill,
Between Bedelands Nature Reserve In The East And, Goddard's Green Waste
Water Treatment Works In The West**

REFERENCE: DM/25/1478

Following on from your comments, please find attached an updated CEMP. This now shows wheel washing points at both entrances as the main site access into P1.3 will be used for construction traffic at some point as the development progresses.

Please can you advise if this is now sufficient to discharge the condition?

Many thanks

Joseph Swift BA (Hons) MPLAN
