MID SUSSEX DISTRICT COUNCIL

DM/26/0295

**14 Fields End Close, Haywards Heath, West Sussex, RH16 3TR, , ,
T1 Quercus Robur - Reduction by 1.5m.
Mr Antony Geer**

Permission is sought for the works as described.

The tree is a semi mature specimen, located to the side of the property, which is at the end of a cul de sac. It is not highly visible, as other, mature specimens form a dominant background to the property.

Work has previously been carried out to reduce the tree back from the roof of the property and proposed works will repeat this.

There will be limited impact on the long term health or amenity value of the tree.

Permission is recommended.

Decision: Permission
