MID SUSSEX DISTRICT COUNCIL

DM/26/0401

T1 Ash - re-pollard to previous points. T2 Oak - reduce back 2-3m from both house sides of tree.
Mr M Shipp**

Permission is sought for the works as described.

The trees are located in the rear garden and have limited public visibility. Both are mature specimens and have previously been reduced.

Works are required as the oak is encroaching over a neighbouring roof, as well as the applicant's property. The ash has previously been pollarded to keep it within bounds and there is significant regrowth.

Works will address this without harm to the long term health or amenity value of the trees.

Permission is recommended.

Decision: Permission
