Subject: DM/26/1792 Wild Play

Hi Katherine

I am unable to upload comments on the portal, so please see below:

Environmental Protection has reviewed the application and has no objection to the proposal. Given the nature of the development and the approx. 200m separation distance to the nearest residential receptors, no significant adverse noise impact is anticipated, provided the play area operates in accordance with the normal opening hours of Wakehurst Place.

Regards

Nick
