Dear Katherine

I am emailing in reply to the notification of planning for the land south West of Havelock, Wakehurst Place. Selsfield Road, Ardingly, Haywards Heath. Application number DM/26/1792.

I would like to voice concerns for the plans for the playground. I had been told at the outset of the new green house development(DM/22/1774) which runs along the edge of our property, that it would not be used or accessed by the public but I am now aware that there are plans to access the new green house development via the new wild play facility for the public. This would adversely affect us in terms of noise and privacy. I hope you will take this into consideration.

Kind regards
