MID SUSSEX DISTRICT COUNCIL

DM/25/0089

**8 Mansion Close, Burgess Hill, West Sussex, RH15 0NT, , ,
Lime Tree: Re pollard to previous points and remove epicormic growth to 6m.
Mr Henry Mason**

Permission is sought for the works as described.

The tree is a semi mature specimen located in the rear garden, which faces Kingsway. There is also a cedar and a birch in the garden.

The tree has been consistently and regularly pollarded to accommodate it, and the other trees in the garden, and increase light.

Works will reduce back to previous pollard points and address these issues.

Permission is recommended.

Decision: Permission
