Dear Mark

Thanks for your e mail. Are you able to resend the link please. I've had some IT issues this week and haven't been able to download the plan I'm afraid.

Importance: High

Dear Steve,

Further to our site meeting I am pleased to provide a revised set of drawings to show the footpath next to Plot 173 changed from hoggins to tarmac surfacing.

The path was shown on both the plot specific hard/soft landscape proposals and also shown on the open space proposals. As it is within the open space area CSA have amended the dashed lines on the plot level hard/soft landscape proposals plan to exclude it from the drawing. Otherwise there would be duplication.

I would be grateful if you could substitute the submitted drawings (Rev C) with the revised set (Rev D). I am sending you a WeTransfer link so that you can download these drawings as they are too large to send by email.
