Subject: Objection to planning applications

[REDACTED]

Good morning Steven

I would like to object to the planning applications for

DM/25/0014 DM/25/0015 DM/25/0016 and DM/25/0017

These new buildings are completely unsustainable with the current infrastructure. The roads are all ready struggling at peak times with the amount of drivers currently and with only one shop in the new development this will only increase as home owners will have to drive for simple daily tasks, schools will struggle to fit all the extra children in, the doctors surgery is already terrible without the extra 1000 residents in the area.

Other developments in the area claimed they'd invest in local infrastructure but that was empty promises and the village of Crawley down is now struggling to cope as it is with its very limited recourses.

Many thanks
