Customer Details

Address: Morningside Lodge Lane, Bolney haywards Heath

Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this application on several grounds. 1. Bolney is a small village already stressed with traffic and the onslaught of the major proposed development at Foxhole Farm, which will overload the village facilities, as limited as they are, by doubling the number of homes. 2. We already have big houses, we don't need any more 4-5 bedroom homes. 3.The access point is opposite the children's playground and bike

park and with the ever increasing traffic on the street an entrance opening onto this site would become a significant risk to children pedestrians, cyclists and dog walkers- of which there are many. There is no footpath along this section of the Street.

4. The land is a green open edge to the village, development of this further chokes our wildlife habitat and introduce light pollution to a currently dark area. We need to protect our wildlife, not destroy their habitat.

5. There is land that accesses onto the London Rd in Bolney- this would be a for more suitable site for development without impacting on safety in the village.

Kind regards
