Stance:	Customer made comments neither objecting to or supporting the Planning Application

Reasons for comment:

Comments:	Loss of privacy: We have a large Leylandii tree on our property in the corner of our garden which provides privacy from overlooking properties. If the tree roots are cut or damaged during the build it may kill the tree or cause it to fall. The tree is about 38 years old. The tree is checked and trimmed by a tree surgeon every year. I am also concerned about the main drainage/sewer that runs across our back gardens, will this proposed extension affect it?.
