Anna,

Whilst this is frustrating, I approve the extension of time.

Dear Claire

I have been reviewing the planning file for your application today, ahead of making my recommendation. It has come to my notice that a neighbour that was notified of the original application under DM/26/0542 **has not received a letter regarding the current application**. This should have occurred at the registration of your revised scheme, but has been missed.

Unfortunately, I have to send a neighbour notification letter to make these neighbours aware of the revised scheme, as the enlarged size of the porch could be of interest to them.

The expiry date for comments on the letter, which will be sent today, is 3 weeks from today's date, ie. **25.09.2026**. Unfortunately I will be unable to make a recommendation for the decision to be issued until the following week, commencing 28.09.2026 . As a consequence, I request your agreement to an Extension of time for the Decision Target Date to **30.09.2026** to allow for the finalisation of my report and senior office review of the recommendation. I am very sorry for this delay in the determination of your application.

Please can you confirm your agreement to this new date by return email.

I look forward to hearing from you.

Regards

Anna
