Hi Andrew

Yes, please include standard hours for demolition, construction, deliveries etc. to protect amenity for those residents above while the works are being undertaken.

Thanks

Adam

Adam,

Thanks for this, it was impact on noise I am awaiting.

I assume the only impact would be during the conversion of first floor so I should attach standards hours of use and delivery in line with Environmental Protection Act?

Kind regards,

Hi Andrew

There was a problem with the portal at the time, hence the email sent in July.

Is this what you needed?

Adam

Hello,

Sorry to bother you.

I don't seem to have received your comments yet in relation to the above application.

If you could provide them as soon as possible as the determination date is the 11th September.

I look forward to hearing from you.
