Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The proposed development should match its surroundings. An absolute maximum of three storeys including commercial ground floor. Four storeys it too big. It should also align with neighbouring buildings so as to not close-in and darken the road junction. Four storeys will also block daylight and views for the buildings opposite.

This junction is in the very heart of the town.
Please tread lightly. Thank you.

Kind regards
