Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	The proposed extension is visible from the east elevation of my property and my garden. A condition of my no objection is that the fence between my property and the applicant's property is raised by 400mm to provide an enhanced level of privacy. I am happy to do this work myself.

Kind regards
