[REDACTED]

Good afternoon,

I would like to put forward an objection to the above planning application, which i understand is currently pending. I live on the Southdowns Park development, quite close to the proposed site, and believe the following to be of concern.

- Noise levels will be greatly increased due to the activity itself and also an increase in traffic visiting the facility.
- Parking will be an issue particularly as we already have the bowls club, swimming pool and football pitches with users needing somewhere to park.
- I understand that floodlights will be in use up until 10pm. There are multiple properties that this will have an effect on.

These are my main concerns. I hope that these will be taken into consideration whilst considering the planning application.

Many thanks.

Kind regards,
