Subject: DM/25/0388 Central Sussex College, Queensmere House, 49 Queen's Road, East Grinstead

Dear Andy,

I have reviewed the Arboricultural Impact Assessment and Preliminary Tree Protection Method Statement for this application.

I note that the trees are all category C and not a constraint to development and much of the existing surfacing is already in place.

I have no objection to this application. Please do condition the AIA and Tree Protection Plan and Method Statement.

Kind regards

Emma
