Dear Sir/Madam

Reference: DM/25/2654

Proposal: Retrospective permission is sought for repairs to roof damage and missing tiles, replacement to lead work, installation of lightning protection, replacement of rotten timber windows timber framework and cracked or missing glass panes.
Partial retrospective permission is sought for electrical fittings removed and unsafe wiring throughout the building, including concealed redundant wiring from previous layers or refurbishment and new electrical through out, removal of redundant/leaking pipework, including concealed tanks within modern room additions and new plumbing through out.
Permission is sought for repairs to external weathered and cracked stonework, replacement/rebuild of courtyard wall which is listing,

Location: Wykehurst House Wykehurst Park Colwood Lane Bolney

I am writing with regard to the above application.

The Council is required to determine whether the application should be accompanied by an Environmental Impact Assessment in accordance with Regulation 8 of the Town and Country Planning (Environmental Impact Assessment) Regulations 2017.

The site is within the High Weald Area of Outstanding Natural Beauty which is defined as a sensitive area in regulation 2(1). In the opinion of the Local Authority, the proposed development would not be likely to have a significant effect on the environment by virtue of the factors such as its nature, size and location.

Accordingly the Local Authority directs that the development for which planning permission is sought by the application reference number DM/25/2654 is not EIA development. Consequently, no Environment Impact Assessment is required to be submitted with the planning application.

Yours faithfully

Planning Services Division
