| Reasons for comment: |                                                                                                                                                                                                                                                              |
| Comments:            | This development will further impact the overall overcrowded Balcome Road which is already not wide enough to deal with the traffic flows particularly in peak times. This development will also have a negative impact on local nature and the environment. |

Kind regards
