Details of the pre-application advice received

The width and height of the proposed rear ground extension is considered to be of an acceptable scale and massing in relation to the original dwelling and would appear subservient in relation to the host dwelling. To have a balcony more information would be required to deal with privacy / onlooking towards neighbours. The elevation towards no. 7 with glass side panels for a balcony would be overbearing and unneighbourly.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
