Dear Ms Tidey

**T&CP (Development Management Procedure) (England) Order 2015
& Planning (Listed Buildings & Conservation Areas) Regulations 1990**

**SOUTH LODGE STONEHURST SELSFIELD ROAD ARDINGLY HAYWARDS
HEATH WEST SUSSEX RH17 6TN
Application No. DM/25/2007**

Thank you for your letter of 6th October 2025 regarding the above application for planning permission. Historic England is only able to give substantive advice in a small number of cases and concentrates on those cases where, in our view, our expertise can add further value to the Local Planning Authority's own conservation advice.

In this case we do not wish to offer any comments. This does not mean that we consider the proposals to be acceptable or unacceptable, simply that we are content for the application to be determined by the LPA following their own specialist conservation advice. We note that the Design and Access Statement and the Heritage Statement are not included among the planning documents available on your website. We defer to your conservation team assessment on the necessity to request them.

It is not necessary for us to be consulted on this application again, unless there are material changes to the proposals. However, if you would like detailed advice from us, please contact us to explain your request.

Yours sincerely

Luciana Gallo
