Comments Details

Commenter Type:	Local amenity society or association
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I lead East Grinstead Sports Council, a thriving Associated Body of the Town Council, which unites and supports our local sports community. This Application is set against a deficit in our local sports infrastructure, particularly playing pitch capacity. This is evidenced regularly by our clubs and also documented by the Council's own inventory studies in recent years. The development offers a worthwhile opportunity to improve the existing facilities and, with

community access, their usefulness to our local sports clubs.
We fully support the Application.

Kind regards
