Comments Details

Commenter Type: Neighbour or general public

Stance: Customer made comments neither objecting to or supporting the Planning Application

Reasons for comment:

Comments: As a direct neighbour, we don't object to the building of an outbuilding for the purpose of storing garden materials, as long as the building is not used for any other business purposes or to expand the existing businesses already on the premises.

In addition, we would ask that the outside lighting is kept to a minimum and installed in such a way that there is no light trespass on neighbouring land or properties. Lighting should be installed in line with the light pollution guidelines for the AONB of the High

Weald; to help preserve the quality of the night sky as well as protecting the local wildlife.

Kind regards
