Hi Steve

Sorry, I must have missed that one. My comments are:

In EP's view, the submitted Construction Management Plan, drawings and the Noise Management Technical Note provide satisfactory details relating to construction hours, noise mitigation, dust suppression and pollution incident response. Accordingly, discharge of Condition 29 is recommended.

Nick Bennett – S.E.H.O. | Environmental Protection | Mid Sussex District Council | 01444 477292

Hi Nick

A consultation was sent out through Uniform on 20th May relating to the above conditions discharge application. Apologies if I've missed it but I can't see a response to this on the file. Do you know if one has been sent?

Thanks

Steve
