Subject: Planning DM/25/1129 Bolney

[REDACTED]

In response to your letter dated 7th May 2025 please find my comments below:

I fully support the application as long as there is a facility for a junior school and health centre. These could be combined in the same building.

With all the extra residents in Bolney, at present, and the proposed increase in populous, the facilities we have now are either inadequate or non existent .

Regards
