Comments Details

Commenter Type: Local amenity society or association

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: This plan will be ugly, compromise amenity in the local area and spoil skyline views. The area lacks open space to gather for local people. This plan takes yet more space away from such possible amenities. I have many friends in this area and as a disabled person need benches to sit and rest when out exercising. This deprives yet another spot if such possible amenity.

Kind regards
