Reasons for comment:

Comments:	Honestly concerned to comment with my identity / address. A lot of these types of business are a ship front for criminals. Haywards heath does not need another vape shop. Besides the the signage is brash and does not fit with the traditional look of the high street. It really is jarring and looks too bold and tacky. I hope this is not a sign of things to come and someone can save our high street being taken over by shops like this
