Comments Details

Comments:	The Town Council acknowledges the representations made by the neighbouring properties. There are concerns regarding the hours of use of the site and the Town Council politely asks if these hours could be restricted. The Town Council is also concerned that the addition to the shop front it is out of keeping with the area and asks if screening for the site could be considered if it is not deemed a security risk. The Town Council is further concerned about the number of retrospective applications being submitted by the Village Store, which prohibits residents from commenting on an application before work is carried out on site.
