Dear Emma,

As per my email below, I do not recall receiving a response from you.

Could Balcombe Parish Council please request permission for an extension in order for representation to be made?

The planning application missed the publication of the agenda, and the next council meeting is not scheduled until Wednesday 1st April. If an extension could be granted, comments could be provided on 2nd April following that meeting.

With regards to the missing location plan and no photos, has this now been resolved?

Kind regards
Charlotte Jim

Dear Emma,

My chairman has had a look at the above planning application has asked me to make contact with you to say the application has no location plan and no photos and is inadequate for consideration by anyone as it is.

This application also missed the publication of the agenda for tonight's PC meeting, and therefore although the parish councillors may look at it our preference would be to request an extension in order to receive any concerns from residents. Would this be possible please.

Kind regards
Charlotte Jim
