Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Description

Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s)

Installation of Solar Panels on the southern section of the roof at the Queen's Hall above the main hall, and installation of Secondary Glazing on the stone mullioned windows in the Elizabethan style located on the façade of the building in the Parish Office, with the aim to reduce carbon emissions and improve the energy efficiency of this Grade II listed building.

Has the development or work already been started without consent?

- ☐ Yes
☒ No

Listed Building Grading

What is the grading of the listed building (as stated in the list of Buildings of Special Architectural or Historical Interest)?

- ☐ Don't know
☐ Grade I
☐ Grade II*
☒ Grade II

Is it an ecclesiastical building?

- ☐ Don't know
☐ Yes
☒ No

Demolition of Listed Building

Does the proposal include the partial or total demolition of a listed building?

- ☐ Yes
☒ No

Immunity from Listing

Has a Certificate of Immunity from Listing been sought in respect of this building?

- ☐ Yes
☒ No

Listed Building Alterations

Do the proposed works include alterations to a listed building?

- ☒ Yes
☐ No

If Yes, do the proposed works include

a) works to the interior of the building?

- ☒ Yes
☐ No

b) works to the exterior of the building?

- ☒ Yes
☐ No

c) works to any structure or object fixed to the property (or buildings within its curtilage) internally or externally?

- ☒ Yes
☐ No

d) stripping out of any internal wall, ceiling or floor finishes (e.g. plaster, floorboards)?

- ☐ Yes
☒ No

If the answer to any of these questions is Yes, please provide plans, drawings and photographs sufficient to identify the location, extent and character of the items to be removed. Also include the proposal for their replacement, including any new means of structural support, and state references for the plan(s)/drawing(s).

Cuckfield Parish Council is proposing to install Secondary Glazing on the Mullioned Windows located at the front of the Queen's Hall in the Parish Office to improve the thermal efficiency of the building. The selected company proposes to install a slim and horizontal sliding system that provides easy access to the external windows for ventilation. A frame is added to the stonework with 3 sliding sashes (panels) to mirror the existing stone mullioned windows.

The horizontal sliding secondary glazing units provide easy access for ventilation and cleaning. Sashes (panels) slide within the frames avoiding conflict with bulkheads, curtains or blinds and sashes are removable for maintenance. Frames can be linked with bespoke mullions and transoms to treat tall windows and ribbon runs.

One of the long term action, as part of Cuckfield Parish Council aim to become more energy efficient and carbon neutral by 2050, is the installation of Solar Panels on the southern part of the roof above the main hall of the Queen's Hall. This location was previously identified by the Conservation Officer as being the best potential location for the installation of 50 Solar Panels with Inverter and Battery Storage system. All specification and details for the installation of the solar panels are included in the quote.

Materials

Does the proposed development require any materials to be used?

- ☒ Yes
- ☐ No

Please provide a description of existing and proposed materials and finishes to be used (including type, colour and name for each material) demolition excluded

Type: Windows Existing materials and finishes: Stone mullioned windows in the Elizabethan style Proposed materials and finishes: Installation of secondary glazing manufactured from exclusive Selectaglaze aluminium extrusions finished in Standard Range Polyester Powder paint to Qualicaot standards to match the colour of the original stone mullioned windows. Units to be fixed into standard square reveals and splayed reveals. This is an indoor installation and will not affect the outdoor facade of the building.
Type: Roof covering Existing materials and finishes: plain roof tiles Proposed materials and finishes: Installation of 50 Jinko Tiger Neo 440W N-Type All Black Mono Solar Panels on the southern roof section of the main hall to collect sunlight and turn it into DC electricity. The panels will be connected to 1 Growatt 25KTL3-X 3ph inverter and 1 SolaX X3 G4 15.0 FIT AC inverter, which convert the DC electricity into mains (AC) electricity. A SolaX Triple 5.8kWh LFP Battery storage system will also be installed to store excess energy from sunny days. The Solar Panels will be installed on a Fastensol pitched roof mountain system, fully MCS accredited and suitable for the majority of roof types.

Are you supplying additional information on submitted plans, drawings or a design and access statement?

- ☒ Yes
- ☐ No

If Yes, please state references for the plans, drawings and/or design and access statement

Series 80 Heavy Duty specification for horizontal sliding secondary glazing Solar Dynamics Quote 1 Queen's Hall solar panels location

Site Area

What is the measurement of the site area? (numeric characters only).

106.20

Unit

Sq. metres

Existing Use

Please describe the current use of the site

The Queen's Hall is home to Cuckfield Parish Council's office and the Cuckfield Museum. The Queen's Hall is also a venue used by regular hirers daily, weekly or at weekends and is a multipurpose venue for ad hoc hiring such as for weddings, community events, parties, indoor craft market, theatre companies, classes and other.

Is the site currently vacant?

☐ Yes

☒ No

Does the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application.

Land which is known to be contaminated

☐ Yes

☒ No

Land where contamination is suspected for all or part of the site

☐ Yes

☒ No

A proposed use that would be particularly vulnerable to the presence of contamination

☐ Yes

☒ No

Pedestrian and Vehicle Access, Roads and Rights of Way

Is a new or altered vehicular access proposed to or from the public highway?

☐ Yes

☒ No

Is a new or altered pedestrian access proposed to or from the public highway?

☐ Yes

☒ No

Are there any new public roads to be provided within the site?

☐ Yes

☒ No

Are there any new public rights of way to be provided within or adjacent to the site?

☐ Yes

☒ No

Do the proposals require any diversions/extinguishments and/or creation of rights of way?

☐ Yes

☒ No

Vehicle Parking

Does the site have any existing vehicle/cycle parking spaces or will the proposed development add/remove any parking spaces?

☐ Yes

☒ No

Foul Sewage

Please state how foul sewage is to be disposed of:

- ☒ Mains sewer
- ☐ Septic tank
- ☐ Package treatment plant
- ☐ Cess pit
- ☐ Other
- ☐ Unknown

Are you proposing to connect to the existing drainage system?

- ☐ Yes
- ☒ No
- ☐ Unknown

Assessment of Flood Risk

Is the site within an area at risk of flooding? (Check the location on the Government's [Flood map for planning](#). You should also refer to national [standing advice](#) and your local planning authority requirements for information as necessary.)

- ☐ Yes
- ☒ No

Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)?

- ☐ Yes
- ☒ No

Will the proposal increase the flood risk elsewhere?

- ☐ Yes
- ☒ No

How will surface water be disposed of?

- ☐ Sustainable drainage system
- ☐ Existing water course
- ☐ Soakaway
- ☐ Main sewer
- ☐ Pond/lake

Trees and Hedges

Are there trees or hedges on the proposed development site?

- ☐ Yes
- ☒ No

And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character?

- ☐ Yes
- ☒ No

If Yes to either or both of the above, you may need to provide a full tree survey, at the discretion of the local planning authority. If a tree survey is required, this and the accompanying plan should be submitted alongside the application. The local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'.

Biodiversity and Geological Conservation

Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site?

To assist in answering this question correctly, please refer to the help text which provides guidance on determining if any important biodiversity or geological conservation features may be present or nearby; and whether they are likely to be affected by the proposals.

a) Protected and priority species

- ☐ Yes, on the development site
☐ Yes, on land adjacent to or near the proposed development
☒ No

b) Designated sites, important habitats or other biodiversity features

- ☐ Yes, on the development site
☐ Yes, on land adjacent to or near the proposed development
☒ No

c) Features of geological conservation importance

- ☐ Yes, on the development site
☐ Yes, on land adjacent to or near the proposed development
☒ No

Supporting information requirements

Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.

Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.

Your local planning authority will be able to advise on the content of any assessments that may be required.

Biodiversity net gain

Biodiversity net gain is a legal requirement for planning permission introduced on 12 February 2024. All applications are required to either provide detailed information proving there will be a biodiversity increase; or explain why the requirement does not apply to the development.

[Find out more about biodiversity net gain, and access digital tools from our partners that can help determine if you are exempt, or produce the biodiversity metric information required.](#)

Do you believe that, if the development is granted permission, the general Biodiversity Gain Condition (as set out in [Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 \(as amended\)](#)) would apply?

- ☐ Yes
☒ No

Biodiversity net gain has been introduced as a general condition for planning permission. As set out in [The Environment Act 2021](#): "grants of planning permission in England [are] to be subject to a condition to secure that the biodiversity gain objective is met". Therefore, in England, all planning permissions are generally subject to biodiversity gain rules, unless they are specifically exempt or out of scope.

If you have stated that the biodiversity net gain requirement does not apply to your application you must provide the reason(s) why, and may also need to supply evidence (especially where you believe the application is eligible for the 'de minimis' exemption).

[You can use our partner's free online tool to determine if you are exempt and to produce detailed reasons](#)

Please add all the reasons why biodiversity net gain does not apply and enter a justification for each one

Reason biodiversity net gain does not apply:

Development subject to the de minimis exemption (development below the threshold)

What best describes the size of your site?:

Over 25 square metres

Please justify the reason why biodiversity net gain does not apply:

the proposed works will have no impact on Biodiversity and are not relevant to the general Biodiversity Gain Condition

Note: Please read the help text for further information why developments may be exempt or not in scope.

Waste Storage and Collection

Do the plans incorporate areas to store and aid the collection of waste?

- ☐ Yes
☒ No

Have arrangements been made for the separate storage and collection of recyclable waste?

- ☐ Yes
☒ No

Residential/Dwelling Units

Does your proposal include the gain, loss or change of use of residential units?

- ☐ Yes
☒ No

All Types of Development: Non-Residential Floorspace

Does your proposal involve the loss, gain or change of use of non-residential floorspace?

Note that 'non-residential' in this context covers all uses except Use Class C3 Dwellinghouses.

- ☐ Yes
☒ No

Employment

Are there any existing employees on the site or will the proposed development increase or decrease the number of employees?

- ☐ Yes
☒ No

Hours of Opening

Are Hours of Opening relevant to this proposal?

- ☒ Yes
- ☐ No

Please add details of the of the Use Classes and hours of opening for each non-residential use proposed.

If you do not know the hours of opening, select the Use Class and tick 'Unknown'

Use Class: F2 - Local community Unknown: No Monday to Friday: Start Time: 09:00 End Time: 15:30 Saturday: Start Time: 00:00 End Time: 00:00 Sunday / Bank Holiday: Start Time: 00:00 End Time: 00:00
--

Industrial or Commercial Processes and Machinery

Does this proposal involve the carrying out of industrial or commercial activities and processes?

- ☐ Yes
- ☒ No

Is the proposal for a waste management development?

- ☐ Yes
- ☒ No

Hazardous Substances

Does the proposal involve the use or storage of Hazardous Substances?

- ☐ Yes
- ☒ No

Trade Effluent

Does the proposal involve the need to dispose of trade effluents or trade waste?

☐ Yes

☒ No

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

☒ Yes

☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

☐ The agent

☒ The applicant

☐ Other person

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

☒ Yes

☐ No

If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):

Officer name:

***** REDACTED *****

Surname

***** REDACTED *****

Reference

DM/23/2841 & DM/24/1634

Date (must be pre-application submission)

03/11/2023

Details of the pre-application advice received

pre-application enquiry to arrange a site meeting at the Queen's Hall, a Grade II listed building located in a prominent position within the Cuckfield Conservation Area. The building dates originally from the late 19th century but has been altered and extended. The pre-application proposal relates to proposed measures to improve the thermal performance of the building, including the introduction of secondary glazing to the windows located in the Parish Council office, and installation of solar panels on the southern section of the roof.

Following the site visit, the below advice was received:

The building has a variety of window types including fine stone mullioned windows in the Elizabethan style to the façade, and an assortment of timber framed windows elsewhere. The principle of secondary glazing would not be considered to be contentious and will require listed building consent. There may be issues with the practicality of installing this to some of the windows concerned, in particular the stone mullioned windows to the front of the building.

Two quotes were submitted for comments and advice but it was not possible to comment without typical plans of both options, showing the framing proportions of the secondary glazing and its relationship to the existing windows.

The advice received was that the preferred option would be that which has the least impact on historic fabric, has the slimmest profiled frames and is set out such that the framing to the secondary glazing sits behind the existing frames to the windows in question. I would also expect the secondary glazing frames to be coloured appropriately to the window frames which they are set against.

The installation of solar panels would require both planning permission and listed building consent and verbal advice was received confirming the best location on the roof of the building to be the southern section above the main hall.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No

Ownership Certificates and Agricultural Land Declaration

Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 & Regulation 6 - Planning (Listed Buildings and Conservation Areas) Regulations 1990

Please answer the following questions to determine which Certificate of Ownership you need to complete: A, B, C or D.

Is the applicant the sole owner of **all** the land to which this application relates; **and** has the applicant been the sole owner for more than 21 days?

- ☒ Yes
- ☐ No

Is any of the land to which the application relates part of an Agricultural Holding?

- ☐ Yes
- ☒ No

Certificate Of Ownership - Certificate A

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**

* 'owner' is a person with a freehold interest or leasehold interest with at least 7 years left to run.
** 'agricultural holding' has the meaning given by reference to the definition of 'agricultural tenant' in section 65(8) of the Act.

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
