MID SUSSEX DISTRICT COUNCIL

DM/25/1677

St Giles C Of E Primary School, Church Lane, Horsted Keynes, Haywards Heath, West Sussex, RH17 7AY,

Tree Group 0XU5 Mixed broadleaf species - Lift canopies to an approximate height of 3m above ground level and section fell Ash tree. Tree Group 0XU6 Mixed broadleaf species - Lift canopies to an approximate height of 3m above ground level. Tree Group 0XU7 Mixed broadleaf species - Lift canopies to an approximate height of 3m above ground level.

Mrs Judith Heyburn

The proposed work is as described.

The trees border the primary school playground and some are very low hanging over the playground and play equipment. The proposed work would lift the low hanging branches, and allow more space for the children to run around, without coming into contact with branches. It is good management for the trees in that situation.

No objection is recommended.
