Comments Details

Commenter Type:	Neighbour or general public
-----------------	-----------------------------

Stance:	Customer made comments in support of the Planning Application
---------	---

Reasons for comment:

Comments:	I fully support this application. It is obvious that the owners have worked hard to ensure the quality and finish is in keeping with the house and garden, respecting the property's history. This is a great example of the investment we need into our village, in houses that are in poor condition, and I am very grateful for that investment.
