

Planning Statement:

I have submitted information to hopefully discharge 2 x conditions from the recent granted permission reference DM/24/2432.

The conditions are number 4 and 8.

Condition 4: I have submitted the relevant drainage information as requested.

4. The development hereby permitted shall not commence unless and until details of the proposed foul and surface water drainage and means of disposal have been submitted to and approved in writing by the local planning authority. No building shall be occupied until all the approved drainage works have been carried out in accordance with the approved details. The details shall include a timetable for its implementation and a management and maintenance plan for the lifetime of the development which shall include arrangements for adoption by any public authority or statutory undertaker and any other arrangements to secure the operation of the scheme throughout its lifetime. Maintenance and management during the lifetime of the development should be in accordance with the approved details.

Reason: To ensure that the proposal is satisfactorily drained and to accord with the NPPF requirements, Policy DP41 of the Mid Sussex District Plan 2014 - 2031 and national policy contained within the National Planning Policy Framework.

Condition 8: I have submitted a Biodiversity Enhancement Strategy as requested.

8. Prior to commencement of any works above slab level, a Biodiversity Enhancement Strategy for protected and Priority species prepared by a suitably qualified ecologist shall be submitted to and approved in writing by the local planning authority.

The content of the Biodiversity Enhancement Strategy shall include the following:

- a) Purpose and conservation objectives for the proposed enhancement measures;
- b) detailed designs or product descriptions to achieve stated objectives;
- c) locations, orientations and heights of proposed enhancement measures by appropriate maps and plans (where relevant);
- d) persons responsible for implementing the enhancement measures; and
- e) details of initial aftercare and long-term maintenance (where relevant).

The works shall be implemented in accordance with the approved details shall be retained in that manner thereafter.

Reason: To enhance protected and Priority species & habitats and allow the LPA to discharge its duties under the NPPF 2021 and s40 of the NERC Act 2006 (as amended). All in accordance with DP38 of the Mid Sussex District Plan 2014-2031 and national policy contained within the National Planning Policy Framework.
