Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I wish to object to the above application on the grounds of unreasonable disruption it will further subject the residents of chequer Road to. For over 6 months the council have turned a blind eye to huge sacks of rubble being dumped on the road, a total lack of consideration to residents with regards to large lorries blocking the road and noisy works commencing early in the morning and at weekend. The contractor has demonstrated utter contempt for the needs of the residents of the street. I know it has had a serious impact on the mental health of many of the neighbours, this cannot be allowed to continue indefinitely.

Kind regards
