Dear Becky

Re: Installation of a 31.3m high lattice tower with associated equipment & works on Land to the North of Grange Close, Burgess Hill

Our Ref: LGW5636

Thank you for your letter/email dated 16 September 2024, regarding the above-mentioned proposals.

I can confirm that the installation of a 31.3m lattice tower sited at location 532106,120277 and as shown on drawing number S5-13A-00-003, MD001 Rev A, Titled 'Elevation Proposed' and dated 10 July 2024 is acceptable from an aerodrome safeguarding perspective.

If the height or location changes, I would be grateful if you could reconsult us, thank you.

Please be advised that the advice given is informal and without prejudice to the consideration of any planning application which may be referred to us pursuant to Planning Circular 01/2003 in consultation under the safeguarding procedure. It cannot be assumed that any response to consultation under Planning Circular 01/2003 will necessarily coincide with the informal advice now given. We will not have any liability to you or third parties who may follow this advice.

It should also be made clear that provision of this advice does not constitute support for the development nor an opinion that the development is acceptable under local planning policy.

If you have any queries, please do not hesitate to contact me.

Yours sincerely
