Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Strongly object The current road infrastructure in Crawley Down is not adequate for the local traffic, long queues stretch along the main road to the round about. 200+ vehicles will impact the road network. Access

via wychwood place is not feasible, the current road width is not suitable for two cars passing.

What provisions have been made for Bio-diversity and nature.
Deer run wild in the fields, badgers and moles habitat in the fields.

No plans to increase schools or Doctors, both of which are up to capacity. What is the plan to accommodate?

Kind regards
