MID SUSSEX DISTRICT COUNCIL

DM/25/2665

**6 Oak Hall Park, Burgess Hill, West Sussex, RH15 0BX, , ,
Ash T1 - reduce crown by 2m due to excessive shading. Field Maple T2 - reduce crown by 1m due to excessive shading.
Mr Rodney Marsh**

Permission is sought for the works as described.

The trees are located in the rear garden and have little public visibility.

The ash is a mature specimen and the field maple is a semi mature specimen. Both have previously been reduced. The works will address issues of overhang and shading and will repeat those previously carried out. There will be limited impact on the long term health or amenity value of the trees.

Permission is recommended.

Decision: Permission
