Dear Caroline,

Thank you for consulting the Flood Risk and Drainage Team on the above application.

We have no objection to the proposed development on flood risk grounds. This is subject to the proposed development incorporating all flood mitigation and resilience measures set out within the Flood Risk Assessment (Dated August 2025), including finished floor levels.

Drainage should be managed via Building Regulations and Building Control, as necessary.

Best Wishes

Flood Risk and Drainage Team
Estate Services and Building Control
Mid Sussex District Council
