Dear Alison and Matthew

Following on from my recent site visit I am awaiting comments from Emily Wade, Conservation Officer for both applications. I am aware that today is the Decision Target Date.

I shall be unable to progress a decision until I have Emily's comments, so I am writing to request an Extension of time. I will be in touch upon receipt of her comments.

Please can you confirm your agreement to an EOT to 18.07.2025 for both applications.

Thank you

Regards

Anna

Hi Anna,

DM/25/1169 - GH841 Keysford Barn, Treemans Road, Horsted Keynes RH17 7EA - Site Visit

Thursday at noon will be tight for us given other meeting commitments. Is there anyway you could attend a meeting at 11:30 on Thursday 26th June, or a meeting on Friday 27th June any time after noon?

Best Regards,

Alison

Dear Alison

Please accept my apologies for my delay in replying to your email from earlier this week. I have just returned from leave today.

I am available for a site visit on Wednesday or Thursday next week, from 12 noon, if that is convenient. I will need access inside the barn.

I look forward to hearing from you on this matter.

Regards

Anna

Good Morning Anna,

DM/25/1169 - GH841 Keysford Barn, Treemans Road, Horsted Keynes RH17 7EA

I hope you are having a great start to the week.

I tried calling your direct line but understand you may be busy. Could we have an update on the above application? We would also like to arrange a site visit, if you could send us some dates we can coordinate with the client.

We look forward to hearing from you.

Best Regards,

Alison

Subject: Drainage response for DM/25/1169 - Convert existing barn into a two bedroom ancillary accommodation - Keysford, Horsted Keynes.

Dear Alison

I have received the attached response from our Drainage Engineers on this application, which is saved to the planning file.

I am still awaiting comments from the Parish Council and Emily Wade, which are due by 04.06.2025.

I will be in touch in due course to arrange a site visit.

Regards

Anna

Subject: 2025-05-30 RE: DM/25/1169 - Convert existing barn into a two bedroom ancillary accommodation.

Dear Anna,

Thank you for consulting the Flood Risk and Drainage Team on the above application.

An isolated area of increased surface water flood risk (1:1000+CC) extends across the front of the property. This area of increased flood risk does not appear to be associated with a flow route or watercourse and is likely caused by low spot in the area. The team have no objection to the proposed development on flood risk and drainage grounds. However, we would advise that the applicant should manage standing water and surface water drainage for the lifetime of the development.

As an advisory, we would suggest the Applicant considers the resistance and resilience measures suggested within the EA advice and implements any they deem appropriate due to the increased flood risk in the vicinity of this as a residential site (which are classified as 'more vulnerable').

Drainage should be managed via Building Regulations and Building Control, as necessary.

Best Wishes

Flood Risk and Drainage Team
Estate Services and Building Control
