Aldi - Hayward Heath - Application Reference: DM/24/3077

Dear Officer,

Application Ref: DM/24/3077

I am writing to submit my comments in support of a new Aldi store in Haywards Heath.

This application would deliver a number of benefits to the local area, including:

- Reduced travel times and improved access to high quality, affordable food for local people
- Up to 40 new jobs in the area
- In the current cost of living crisis, even those with some expendable income are struggling. I cannot afford the petrol to other local shops but this is attainable en route to work and will vastly improve my weekly shop affordability and the quality of food my children eat.

I hope that the council will act in the interests of local people by approving this application.

Kind regards
