Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Whilst I have no objection to the loft conversion as we have one ourselves I do object to the glass balcony as feel this is an invasion of all people's privacy as the balcony is situated at second floor level of the property. Yes other people have had loft conversions around our area but there are no balconies. Our conversion just has Velux windows and is not a full hip to gable as stated in the supporting planning statement. We still have a partial hip remaining. The other conversions such as Birchen cottage mentioned are just

converted bungalows, not houses with dormers.

Kind regards
