Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I feel this would be very detrimental to the village and would cause even more congestion in the village and also cause the other business in the village to suffer. The village is already losing far to many of its green spaces. The Prince Albert's garden is one of the last few. The pub can struggle for parking on occasion already so to put a shop there asWell will only make parking even worse.

Kind regards
