Reasons for comment:	
Comments:	We have three convenience stores in walking distance of each other - we don't need a 4th. Tesco will put the others out of business and start to kill our village life . The post office shop has just been taken over and done up at expense to the new owners - are you aiming to put them out of business in less than a year ?

It will serve as a place for kids to hang out and likely increase the already escalating crime in this area.

There is a small Tesco a few minutes drive away from the planned new one and a large superstore 5 minutes drive . Another is not needed!

Leave the village life alone please

Kind regards
