Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	As Neighbours living immediately to the east of Vicarage Cottage, we wholeheartedly support this planning application that we consider to be a well designed and sympathetic proposal for the creation of additional living space. In our view the proposed new windows in no way affect neighbouring Properties or the nearby Lane, as they overlook open farmland and do not therefore intrude in anyway on adjoining properties. We are very grateful to the Applicants for troubling to discuss their

proposal with us in a spirit of good neighbourliness and wish them every success in obtaining Planning Consent.

Kind regards
