**Subject:** Planning Application ref: DM/26/0075. Home Farm, Slaugham Road

Dear Rachel

In response to your recent email i have answered some of your questions below and will send over the photos

Kind regards

Kaye

1. Is there a website for the use? [airacro.com](http://airacro.com)
2. What is the parking arrangement? I can't see a drawing showing the spaces? The application form says there are 10 existing and 10 proposed. Does that mean a net increase of 10? **No increase in parking spaces. There are 10 spaces which are the existing 10 spaces, no new spaces have been added or are required**
3. How many gymnasts visit at any one time and spectators? **Approx 25 gymnasts train at any one time and max 10 spectators but rarely are their spectators as parents drop the gymnasts and return to collect them at the end of their training, training can be at least a couple of hours long for each gymnast**
4. When is it open, between which hours? **training 4 - 8pm on weekdays and 9am - 1pm on Saturdays, no training on Sundays**
5. When did the use start and where was it operating previously? **Formal training by Gymnasts started on 1st April 2026 and previously they were based at The Triangle in Burgess Hill, due to the need for an independant dedicated gym which would be for the exclusive use of Air Acro gymnastics rather than a shared space where use was restricted and space for the storage of apparatus and equipment was limited.**
