Description of Proposed Works

Please describe the proposals to alter, extend or demolish the listed building(s)

The proposal is to replace the existing guttering with a like for like 115mm horizontal Ogee cast iron gutter to the front elevation of the property.; Fixture and fittings will be cast iron to ensure a consistent look to the existing installation. All fittings will be finished in white paint to align with the original style and installation of the existing guttering.

The method for fixing the installation will be brackets and joining junctions from one gutter run to the next.

There will be no new downpipes installed to the front elevation of the property; however, replacement vertical gutters will be installed to the Clare House right hand side of the property (not seen from the road) to assist with the removal of rainwater from the property as the existing gutter down pipe runs through into the lobby to Clare House and has caused water damage to the ceiling and walls.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
