Reasons for comment:	
Comments:	This is a fantastic opportunity to further encourage the development of the world's fastest growing sport in West Sussex. Given the number of players looking to play and the challenges of court availability (especially in the winter months), this proposal would help meet this need at the same time as reducing the biggest barrier to entry to this sport - cost. We need to be encouraging as many of the population to get as fit as possible and Padel is an activity that can be enjoyed by all age groups. We

also need to encourage more children into the sport and with a site that is readily accessible by local residents and public transport, this proposed site would be a big plus compared to others in the area that rely purely on travel by car. It will also help create a much needed community in Burgess Hill and reduce pressure on the site at The Triangle. Please do approve this extremely well thought through application.

Kind regards
