Dear Hamish,

Thank you for consulting the Flood Risk and Drainage team on the above application.

The application has gone through an initial review, and we would advise the applicant to review the General Drainage Requirement Guidance (<https://www.midsussex.gov.uk/media/8092/detailed-drainage-design-technical-summary-version-2023-03.pdf>) to ensure each relevant item that has not already been provided is submitted.

Following receipt of further drainage information the team will be able to review the application further.

Best Wishes
