Subject: RE: Discharge of conditions

Dear Joseph,

Thank you for your email.

In response to the Contamination Officer's comments, my client has confirmed the following:

Thank you for the response, yes those piles have been tested isolated and tested. They are fine for reuse but fall part of the 30000cube muckaway strategy across phase 2 and 3

Please let me know if you have any further questions.

Kind regards,

Lauren Sinden
Planner
