Subject: Permission to remove trees at 3, Whitemans Green Cottages.
Attachments: 3 WHITEMANS GREEN TREES.pdf; trees.jpg

[REDACTED]

Hi,

I have attached an application to remove trees along the boundary of my property as I live in a conservation area.

I have been removing the Ivy which seems to have completely overgrown and possibly already killed the trees but I am not able to identify the species of tree so hopefully this image may help.

Please feel free to communicate via email if this is easier.

Thank you,

George
